BY GREG RUNYAN

LEATHER CLEANER & CONDITIONER

(\$15) is a ready to use lanoline-based lotion formulated to clean and condition leather in one easy step. It is capable of restoring the original texture and appearance of leather and will leave the material feeling soft and supple. The Siege Chemical Company's Fine Leather Car Seat Cleaner & Conditioner contains no petroleum distillates and is safe for use on any type of leather surface, including automobile seats, home furniture, jackets and gloves, and more. Siege Chemical Co., (602) 265-3200, www.siegechemical.com.

Bryan Hobbs, Tahlequah, OK:

"This leather cleaner and conditioner is far superior to any other name brand wipe I've ever used and I'm confident that enthusiasts will quickly notice the difference."
